

Tauranga Boys' College International

Best for Boys

6 March 2014

Dear Parents, Caregivers and Agents

The new academic year has started off very positively, with 19 new students welcomed to our school. All of our International students are settled into their class.

Your son will be issued with an interim report this term so you will be able to see how he is progressing. We also encourage all of our students to participate in either a sport or arts subject after school to help them to assimilate better within our school community.

I look forward to working with your son this year and know that this experience will be both life changing and memorable. You will also find some photos attached of both our new students and one from our International Camp that was held in February.

Please do not hesitate to contact me anytime if you are concerned about anything.

Warm regards

Annette Roff
International Director
