Students who wish to stay over the Christmas vacation will pay extra for homestay.

Students who return home over the Christmas vacation in December/January pay a retaining fee to the Host Family of \$200.00 for the holiday period. The retaining fee insures their room is kept for them and all their belongings will remain in the room while they are away. Students who go away for more than one week, in the school holidays during the year, are able to apply for a reduction in the fee charged. Notice must be given before the student goes on holiday.

### CONTINGENCY

This is deposited into the students school account to cover costs such as sports fees, field trips, etc. It is \$1000 for a year, \$600 for the half year. What is not used is refunded at the end of the student's stay.
